

THE JACK WEBBER TROPHY

When Jack Webber (C 2) died in 1998, it was felt that we should institute a trophy in recognition of his great contribution to the Australian Centurions. Donations were forthcoming and a new trophy, The Jack Webber Trophy, was instituted.

The rules covering the awarding of this trophy are as follows

- The trophy may be awarded annually for the best performance during the Australian Centurions 24 Hour event if any performance is deemed to be of a high enough standard.
- The trophy may not be awarded if no performance is deemed to be of a high enough standard.
- The winner will be decided by vote of those Australian Centurions present at the event.
- The trophy will be presented at the conclusion of the event.
- The winner will hold the trophy for a period of 12 months.

Members felt that it would be good to retrospectively award the first places on this trophy to those Centurions whose performances warranted special recognition. The first eight names on the trophy were duly acknowledged after wide consultation. Since then, further names have been added as we have recognised the worthy nature of certain Centurion walks.
